

# Valentines Cutout

## INSTRUCTIONS

*For this craft you will need:*

1. This template
2. Coloured card or heavy paper
3. Patterned paper e.g. wrapping paper, wall paper
4. A printed photo for the centre of the heart
5. A length of wide ribbon approx 90cm long
6. Scissors
7. Glue

1. Using coloured card, cut each letter & the heart to the size of the dotted line
2. Using your patterned paper cut an insert to the smaller sized solid line
3. Glue the patterned insert onto each letter
4. Add your photo to the centre of the heart
5. Glue each letter to your ribbon (with the heart being the O of LOVE)
6. Cut a triangle from the bottom of your ribbon to make it pretty
7. Present it to your loved ones on valentines day
